Application on behalf of G Narain Rai holding an Engineering Scholarship

x Educn 3-82 Sl 29

In Proceedings of 7th May 1883 an Engineering scholarship was sanctioned for him of Rs 15/- a month for 2 years, & he held it for 18 months. But he seems then to have gone home sick, and the Director now asks that the time spent with advance fees - Rs 30 for half year on the precedent of the medical students - here fees of Rs 15/ are advanced and received for other scholarships at the rate of Rs 13 a month.

There seems no reason why the privilege should not be extended to the case
